

A Commit Document

CITI Data or Specimens Only Research Training

If you want to access BLAH 8 project “Resource for causality from symptom to diagnosis in medical data”, you must have signature this document.
This document is a commitment to the CITI IRB training required to access the MIMIC-CXR datasets. A guide for training can be found [here](#). Below is a list of what you will need for training:

1. Defining Research with Human Subjects
2. Privacy and Confidentiality
3. Assessing Risk
4. Research with Children
5. International Research
6. History and Ethical Principles
7. Regulations and Process
8. SBR Methodologies in Biomedical Research
9. Genetics Research
10. Records-Based Research
11. Populations in Research Requiring Additional Considerations and/or Protections
12. HIPAA and Human Subjects Research
13. Conflicts of Interest in Research Involving Human Subjects

This document is my signature to complete the above training and obtain MIMIC-CXR access by April 30, 2024.
